Chapter 1: Number

NOTES

Familiar Games/Activities:

Art:

- Make a collage of quantities and collections using magazine cuttings. Count and sort quantities.
- Thread a given number of beads on necklace to make patterns or jewelry.

Songs/Games:

- Simon Says.....“Simon says, clap 5 times.”
- Show a picture with (a number) of blocks. “Build the number.”
- Musical Chairs
- Over the Meadow
- Knock, Knock, Paddy Wack
- Candy Land
- Chutes and Ladders
- Dominoe Trains
 - Match Same Quantity
 - 1 More
 - 1 Less
- Scavenger Hunt (Find 1 leaf, 2 rocks, 3...)
- Bean Bag Toss: Throw a bean bag on number grid and collect counters for each successful toss. After 5 tosses, compare the number of counters.

Have your child create a game of their own and teach to friend or family members.
