Chapter 1: Number

NOTES

Play: I Can Build

Materials:
Connecting Cubes
Die or Spinner
(Numbers, Greater Than/Less Than, or 1 more, 2 Less..)
Methodology Playing Cards

Directions:
This is designed as a partner activity but can be adapted to a small group.

1. Player A builds a number with connecting cubes.
2. Player A rolls the die (or spinner).
3. Player A builds a new number based on the spinner directions.
4. Player A find the card to show the numbers.
5. Player A compares the connecting cubes and numbers and announces "1 is smaller than 4".
6. Player B repeats steps 1-4.
7. Play: I can find a number that is greater than or less than.
