Chapter 1: Number

NOTES

Play: Memory

Materials:
Mathodology Playing Cards

Directions:
Using Mathodogogy Cards, play the classic game of Memory or Concentration.
Play in pairs or small groups.

1. Place cards face up and match different presentations of the same number.
2. Mix cards and arrance in a 4 x 4 array faced down.
3. Player A turns two cards over looking for a match.
4. If the match is made, Player A collects and displays the pair.
5. If no match is made, the cards are returned to their original placement hiding the number.
6. Player B takes a turn in the same manner.
7. Players continue game taking turns.
