### Play: Count on a Number Line

Materials:  
Methodology Cards

Directions:

1. Each partner gets 5 cards (sequential).
2. Partner A picks a number.
3. Partner B reads the number.
4. Partner A places the number on the number line.
5. Partner B counts on from the number.
6. Partner A counts back from the number.

Variations:

- Vary the number of cards used
  - Find a Hidden Number
1. Partner A arranges numbers on a number line in order.
  2. Partner A turns one number over.
  3. Partner B guesses the hidden number.
