Chapter 3: Geometry

NOTES

Play: Shape Go Fish

Materials:

Student Shape Cards

Directions:

Prepare 8 matching pairs with different representations.
Play as partners or small groups.

1. Place cards face up and matching different representations. (shape and shape name)
2. Flip cards, face down and mix in a pile in the middle of the players.
3. Players take turns picking 3 cards each.
4. Players check for matches and place matches to the side.
5. Player A asks Player B for a match. For example, “Do you have a card that shows a cylinder?”
6. If a match is made, Player A picks a card from the pile.
7 Player B takes a turn in the same manner.
8. Continue palying game taking turns.
