Chapter 4: Operations

NOTES

Play: Go Fish For

Materials:

Methodology Playing Cards

Directions:

Prepare 8 pairs that make the target number.
Play as partners or small groups.

1. Determine the target number.
2. Place cards face up and matching different pairs that make up that number.
3. Flip cards, face down and mix in a pile in the middle of the players.
4. Players take turns picking three cards each.
5. Players check for bonds that make the target number and place parts to the side.
6. Player A asks Player B for a pair that make a bond. For example, “I have a 3, do you have a 1 to make 4?”
7. If a bond is made, Player A picks a card from the pile.
8. Player B takes a turn in the same manner.
9. Continue playing game taking turns.
